PARENTS ASSOCIATION

Alpine parents are an active and essential part of our school community.

The primary focus of the Association is to create a positive and welcoming environment for parents and families, support the school's teachers and staff, and provide an enriching atmosphere for students. All parents of the school are members of the Parents Association.

Halloween Parade: Students dressed as their favorite characters at this year's school parade. Parents joined the fun and also enjoyed crafts and treats during the classroom parties.

The Association organizes and hosts a variety of events and activities throughout the school year to further enhance the Alpine experience.

These include social gatherings like the Annual Family Picnic and Fall Social, service-oriented and community events like the Holiday Coat Drive and Cookies for Kids' Cancer, as well as school fundraising efforts such as the Scholastic Book Fair and various bake sales.

These are all ways in which the Parents Association supports the school and its students.

Parents Association Committees and Events:

- Annual Family Picnic
- Class Parents
